

## ARE THE TIMES

sufferings. Late, in the most tremendous days in the most normal pressure and unprecedented strain, impossible to cope successfully with the worries and very little. A break-down is a common occurrence—a common still. This is hardly to be wondered at—unscrupulously avoided. Nevertheless, much may be necessary to advise judgment and foresight in matters still given to the condition of the digestion for they are prone to the beginning of a decline of vigour. They are, when, sometimes called "stomach symptoms" and has caused
